It's no secret that Amazon has changed the game in terms of how Americans shop. The convenience of the service has made it a go-to for many families and individuals. With the sheer number of products available, the service offers a little something for everyone.

On the hunt for a new piece of home decor? We've broken down ten of the most promising items the retail giant is currently selling.

1. Urban Shop Convertible [Flip Chair](#)

The versatility of this product makes it the perfect addition to any home. It offers a unique three-in-one approach towards seating. The chair can be flipped into a reclining position or

flattened to create a bed. The product is listed for just over \$100.

2. Kovat Rustic [Fold-Away Desk](#)

Looking to make the most of your square footage? This desk can be folded neatly into a mount on the wall when not in use. When extended, there are also a variety of shelves included in the mounted space for additional storage.

3. Ocean Wave [Light Projector](#)

Turn your child's room into an Under the Sea oasis! This unique lighting feature adds a whimsical and imaginative effect to any room or surface.

4. Outdoor Patio Pool [Cooler Table](#)

Make entertaining guests a breeze with this dual-purpose outdoor feature. In addition to serving as an aesthetically pleasing cocktail table, it also is designed to store and cool drinks for hours. Bonus: it's designed to be weather-resistant, which will increase the lifespan and value of the purchase.

5. Crystal Raindrop [Chandelier](#)

Add a bit of dramatic flair to your home's entryway! This stylish lighting feature will make a lasting impact on guests and serve as a focal point for the space. It is LED compatible and retails for under \$200.

6. Table Top [Fire Pit](#)

This unique accent adds an effortless pop of visual interest to any room. It is portable, ventless and safe to use indoors. Place it on top of your coffee table for a simple, upscale and clean design.

7. Three Piece [Canvas Art](#)

Take advantage of the wall real estate offered in your home. Large portraits add texture to a space, and can be especially intriguing when they tie together. These canvas prints enhance the atmosphere of the room and help tie together the rest of the decor.

8. 9 Piece [Patio Dining Set](#)

In the summer months, outdoor furniture is essential for taking advantage of the warm weather. This 9 piece patio furniture set is a great value and perfect for completing any outdoor patio space.

9. Clear [Nesting Tables](#)

Give the illusion that your space is more open than it is in reality with this set of clear nesting tables. These tables can be placed on top of one another when not in use in order to reduce the amount of square footage required.

10. Cabinet Cookware Organizer

Declutter your kitchen cabinets with sliding organizer system. The dividers are adjustable and can be customized to fit your unique cooking needs. This product will help you keep lids and pans organized and accounted for at all times.
